

## **Department of Astronomy Research Paper Grade Report (\*)**

"The purpose of the project is to introduce the students to methods of research and to ensure that they can organize material and present it cogently in written form. The report need not describe a completed research project, but can be a description of work accomplished."  
(Graduate Studies in Astronomy)

**Name of Student:** \_\_\_\_\_ **Exam Date:** \_\_\_\_\_

**Title of Research Paper:** \_\_\_\_\_

**Name of Examiner:** \_\_\_\_\_

**Overall Grade:**                      **Pass** \_\_\_\_\_                      **Unsatisfactory** \_\_\_\_\_

Please answer the following questions:

1. Does the paper contain evidence of an adequate understanding of the basic principles underlying the project?
