

Department of Astronomy Research Paper Report

"The purpose of the project is to introduce the students to methods of research and to ensure that they can organize material and present it cogently in written form. The report need not describe a completed research project, but can be a description of work accomplished." (Graduate Studies in Astronomy).

Each member of the committee should fill out this form prior to the examination.

Name of Student: _____ **Exam Date:** _____

Title of Research Paper: _____
