Department of Astronomy
Study Plan
G2 and above
(Due October 1 of each term)

7. **CV, Professional website**

All students starting in their third year should possess a professional CV which the Director of Graduate Studies may consult from time to time. If your CV is available on your professional website, please inform us of that URL. If not, please send an electronic copy of your CV to Robb at rscholten@cfa.harvard.edu.

___ My CV is online at this URL: _____

___ I have emailed my CV to Robb

8. **Thesis** (where applicable)

Topic:

Supervisor:

Thesis Advisory Committee Chair:

Date of last TAC meeting:

Brief description of progress:

Estimated date of completion:

9. **Teaching Time:** Indicate below the percentage of time you will teach each term as a Teaching Fellow. Teaching one course is counted as 25%. Note: Teaching more than one course in a semester requires the approval of both your advisor and the DGS.

% Time Fall Term

% Time Spring Term

Department of Astronomy
Study Plan
G2 and above
(Due October 1 of each term)

- 10. Outreach Project:** Students who entered the degree program in 2013 and later will need to produce an educational program, application, tool, website or some other public outreach activity as part of their PhD work. Please indicate here your current thinking on how you will meet this requirement. For assistance on this topic, please contact Alyssa Goodman.
